<sup>1</sup> APR = Annual Percentage Rate. All loans are subject to credit approval. Other terms and conditions apply.

<sup>2</sup> The actual rate you receive is determined by a combination of factors, including credit qualifications, loan amount, collateral, down payment and terms. Rates are subject to change. The "as low as" vehicle loan rates assume a .25% discount on loans with automatic payment from a Kinecta account; rates will be .25% higher on loans without the discount for automatic payment. The value of new vehicles is determined by MSRP, and the value of used vehicles is determined by Kelley Blue Book. Other terms and conditions apply.

<sup>3</sup> This APR is a variable rate and may increase after loan consummation. The APR you receive is determined based on your creditworthiness. The rate will not exceed 18.00%. Other terms and conditions apply.
